Funding Archers to travel to Canadian Outdoor 3 D Championships

3D Criteria

2015 Canadian Outdoor 3 D Championships July 31 - August 3, Carberry, Manitoba

Purpose

For some time concern has been expressed as to how funding should be provided to competitors with a desire to attend the Canadian 3D Nationals. The intent would be to provide available funding to those AANS competitors that have met the requirements as established by AANS.

Rules

The applicant;

1. Must be a paid up member of AANS.
2. Shall have membership paid prior to the first sanctioned shoot in a given year.
3. Shall participate in the same category for a minimum of four (4) sanctioned shoots, with one (1) being the Provincial 3D.
4. There will be “zero tolerance” for any misrepresentation of scores, should this occur, the competitor will be disqualified for that year.
5. Shall pay their registration for the Canadian 3D Nationals before the Provincial 3D competition
6. Shall make application to AANS for funding prior to the Nova Scotia Provincial 3D competition.
7. All shoots will be double scored, with the archer retaining one score card

All classes of competition may be considered for funding by AANS.

The Archery Canada rules must be followed for each AANS sanctioned shoot.

Scoring Format

Scores from a given sanctioned shoot will be calculated on a point basis. The three (3) best scores plus the provincial score will be used to determine the overall score. The following table is an example of the points to be awarded by sanctioned shoot.

Scoring will be as follows:

1st = 20 pts

2nd = 18 pts

3rd = 16 pts

4th = 14 pts

5th = 12pts

6th = 10 pts

7th = 8 pts

8th = 6 pts

9th = 4 pts

10th = 2 pts

All others = 0 pts

Clubs Sanctioned Shoot Responsibility

Each club that hosts a sanctioned shoot will be responsible to record all shooters scores on an official score sheet provide by AANS. This sheet must be signed and witnessed by the clubs shoot organizers and forwarded to the AANS 3D Director in order for the shooters scores to be registered. Any results not received by the 3-D Director within two weeks of the competition will be considered invalid. The 2010 or latest version of the Archery Canada 3D rules must be followed for all AANS sanctioned shoots. You can find the Archery Canada 3D rules (chapters 3 & 11) on the Archery Canada web page. (www.archerycanada.ca)

These selection criteria were approved by the AANS Board of Directors on 2012/11/18 and edited for date and location annually.
