Results: George Ackroyd Memorial
3-D Archery Shoot May 19th. West Hants Rec Site.

The membership of Glooscap would once again like to thank all patrons that would normally use the trails at the West Hants Rec Site Irishman's Rd., for your understanding of the trails being closed during this event. We have to do this for obvious safety reasons. We had 51 shooters participate. I would like to recognize the following businesses and people who donated door prizes: Payzants Home Building Supplies Windsor, Nova International Windsor, Kent Building Supplies Windsor, Herbin Jewellers Wolfville, Heritage Memorials Windsor, Scott and Sharon Ogilvie and Sharon Daniels. I special thank you to Fay and Robert Deviller for designing our awards.

Thank you to the Club members who donated food and their time setting up the Archery course and the take down after. The late **George Ackroyd** was a member of Glooscap Archery Club. He loved shooting his bow, hunting and telling stories. This shoot is to honour George and remember him. We have a large club Trophy in memory of George at the Club. The winner in the HUNTER CLASS gets their name put on the Trophy and they also get a Keeper Trophy to take home. This years winner is **Kempton Stevens** with a score of **364**, Congrats Kempton. I would also like to recognize the members of Glooscap who took awards in their Classes: Melanie Lefler, Donnie Nelson, Scott Bower, Jacob Myles, Nic Cote', Darren Fowler, Sandra Bayawa, and Cameron Connors.
